- 8. The English proficiency graduation requirements are to be handled in accordance with Article 3 of the "National Chung Hsing University Guidelines for English Proficiency Graduation Requirements." (英語能力畢業標準,依據「國立中興大學學生英文能力畢業標準檢定辦法」之第三條規定辦理。)

- **VI.Minor Degree:** If a student intends to study for a minor degree, he/she will need to take 20 (or more) credits in addition to the department's minimum credits required for graduation. For more details, please see the bulletin of Curriculum Division website.
- VII. Double Major: The graduation requirements for students in pursuit of a double major (department or degree program) shall be based on the relevant regulations applicable at the time (year) when the application was approved. Double major students not only have to fulfill all graduation credit requirements of their original major (department or degree program), they must also complete all core courses for the second major (department or degree program) in order to be granted a double major degree.
- VIII. Undergraduate students who did not complete or are short of 40 credits for the second major must make up for those credits by taking courses designated by the second-major department or degree program.
- IX.Cross-Disciplinary Expertise Development Program:
 This program is not offered by our department.

Students who graduate from the study period of the senior high school less than 6 years will be required to take <u>at least 12 extra credits</u> in their graduation requirements.
